Quebec, 2023

Louis-Gabriel Girard is a skilled litigation lawyer with a comprehensive practice spanning civil and commercial litigation, class actions and international arbitration. He helps clients navigate legal risks and disputes through practical advice and innovative solutions, with a keen focus on achieving favourable outcomes. Louis-Gabriel is proficient in a wide range of areas including product liability, consumer protection, employment, privacy, real estate and mining.

With a background in business administration, Louis-Gabriel brings a unique blend of legal acumen and business insights to his practice. Prior to transitioning to litigation, he gained experience working for a multinational company in the manufacturing sector and later at an esteemed international business law firm.
