EDUCATION

Red Deer College, Legal Assistant
Diploma, 2000

Corrin Roadhouse's responsibilities include all aspects of financing and aviation transactions, including due diligence and security registration matters, drafting closing documents, and attending at closings.

Corrin has extensive experience in matters related to the *Personal Property Security Act* and the International Registry of Mobile Assets. She acts as the dedicated International Registry administrator for Bennett Jones and various clients. Corrin's detailed understanding of the documents and processes required to close transactions and her in-depth knowledge of the security registries enable Bennett Jones to provide prompt and cost-effective assistance to clients closing financial and aviation transactions.

Prior to joining the Financial Services group, Corrin was a paralegal in the firm's Corporate Services department.

Corrin is a member of the Alberta Association of Professional Paralegals.
